# LArt multi-purpose centre

This multi-purpose centre was opened on the site of the former Community Centre. The building housing the Community Centre and the adjacent hotel was demolished, leaving only the historical villa of Langer, the factory owner, which now serves as an events venue together with the modern building.

Highly variable, the LArt multi-purpose centre is ideal for concerts, theatre performances, debates, entertainment programmes, balls, conferences and many other events for a total of up to 600 visitors. As it is a multi-purpose venue – movable acoustic equipment, retractable elevation and a removable stage, the spaces can be changed and modified to suit your needs.

The space includes a hall with a stage and balcony, the Orion bar, the Nonet bar/small hall, lobby and cloakroom. The hall is equipped with basic sound, lighting, projection and stage technology. The equipment of the smaller rooms can be adapted to suit the needs of the specific event.

# Prague Congress Centre

Covering area of 13,000 m<sup>2</sup> and with a total capacity of 9,300 people, the Prague Congress Centre is one of the largest and best equipped in Europe. It has a variety of spaces suitable for various types of events, from large congresses and conferences to smaller seminars, presentations or business meetings, well as accompanying events such as exhibitions, fairs, cultural performances and social occasions – such as gala evenings or balls.

Since it opened in 1981, the Prague Congress Centre has hosted many prestigious events of national and international importance, such as the meetings of the International Monetary Fund and the World Bank (2000), the Summit of the North Atlantic Alliance (2002), and events connected with the Czech Presidency of the Council of the EU (2009 and 2022). Over the years, the PPC has undergone several costly refurbishments, including the installation of state-of-the-art audiovisual, communication and information technologies and energy-saving solutions proven to reduce its carbon footprint and burden on the surrounding environment.

Its unique location in close proximity to the national cultural heritage site of Vyšehrad means visitors to the PPC can enjoy fantastic views of some of the most beautiful places in Prague and at the same time admire the 200 beautiful works of art exhibited within the building. It displays the works of some renowned artists, mainly textile and glass, metal and free painting and sculptural works. In addition, the PCC is easy to get to for visitors from all parts of Prague: it is located just a few steps from the metro station, and 10 minutes away from the historical city centre.

# Děčín Chateau – an event with a magical view

Děčín Chateau is the town's main landmark; it stands on a high rock above the Elbe River and is reached by a 292-metre-long road called the Long Ride, one of the country's finest architectural achievements.

Děčín Chateau is the ideal venue for large conferences, congresses, social events, or concerts. The largest capacity is in the magnificent Library Hall, followed by the outdoor South Garden. Three halls – the Baroque Hall, Corner Hall and Blue Hall - are very popular for their light and views. For a pleasant change or bonus, an event can be held in the Rose Garden or in the Sala Terrena.

The services include the provision of the full range of equipment, catering and an accompanying programme, or they'll give you a tour through the chateau in period costumes.

And accommodation? There's the Wellness Hotel Kocanda, Wellness Hotel Zlatá Lípa or the Koruna Hotel right in the town centre.

TIP: Evening cruises on the Elbe with an experience party are a popular way to enhance your event. The boat can carry up to 200 people.

# Litoměřice Castle

A tasteful combination of history and the modern age, the premises of the Gothic Litoměřice Castle, the pride of this royal town, are sure to impress. Coupled with the cultural centre, this is a large-capacity venue.

Litoměřice Castle underwent expensive reconstruction and refurbishment in 2007-2011. The former Gothic castle was converted into a new multi-purpose space with the working name "Sanctuary of Czech Viticulture". A state-of-the-art conference hall with Gothic artefacts, a tasting room with original paving stones and the lounge in the chapel make the castle a congress tourism centre.

In 2013, the castle was declared Building of the Year, and in 2023 it won second place in the competition "20-Year Building of the Ústí Region". A session tasting wines from the Litoměřice sub-region is offered as an ideal accompanying programme.

The representative institution of the regional capital and the entire Ústí region is undoubtedly the Ústí nad Labem Cultural Centre, a combination of three large-capacity cultural spaces.

The House of Culture itself is used for commercial, cultural and social events, as are the National House and the Summer Cinema. The House of Culture is built in the Abstract Classicist style. It has a theatre hall, a lecture hall, a gallery, a representative hall, classrooms and a restaurant. The building also boasts a number of works of art, such as the lavish etched glass reliefs in the foyer, designed by René Roubíček and symbolising the nature of industry in the Ústí Region at the time.

The city's largest cultural facility is the Summer Cinema, built after World War Two. The roof consists of a bold steel structure, similar to those used to construct bridges.

# Černá louka Exhibition Centre

We all know that Prague and Brno have their own exhibition centres, but what about the Černá louka Exhibition Centre in Ostrava... The place is not yet used as often as it should be for corporate events, so they look forward to hosting you all the more.

Ostrava's hotels, Masarykovo náměstí, Dolní Vítkovice and Silesian Ostrava Castle, the embankment and shopping park are all within walking distance of the Černá louka Exhibition Centre.

## The exhibition centre offers:

- an ideal location in the city centre (car park right "around" the exhibition centre)
- versatility, from smaller seminars to exhibitions and fairs
- indoor space (up to 6,600 m<sup>2</sup> of barrier-free space in pavilion A3)
- outdoor space (3 hectares for your events)
- a good-hearted and experienced events team

Try this ideal place right now for your next corporate event in Ostrava!

# The Beskids "know how to do conferences..."

Hold your corporate event or congress in the Beskid Mountains. Besides quality spaces, holding your event here means you can breathe the fresh air and enjoy the mountains.

The largest congress venues in the Beskids are located in Ostravice and Čeladná. Both towns are known for their pleasant location in the Beskid foothills and have already hosted a number of sporting and cultural events, as well as conferences.

The **Sepetná Mountain Hotel** in Ostravice has a theatre-style **hall for up to 200 people** to host your events, and the hotel is able to accommodate the same number of people.

For an even bigger event, you can go to Čeladná. The Prosper Golf resort Čeladná now offers the newly refurbished **PROSPER EVENT HALL to seat up to 350 people in a "theatre" arrangement**. Accommodation is available in a number of places in the immediate vicinity of the hall.

There are of course professional staff, a place to park and catering provided in both places.

# Castle Riding Hall in Český Krumlov

The Castle Riding Hall in Český Krumlov - a space in the grounds of Český Krumlov Castle near the Baroque garden.

It was built between 1744 and 1746 in the Viennese Rococo style during the reign of Prince Josef Adam of Schwarzenberg, who rebuilt his residence in Český Krumlov along the lines of the Viennese imperial court. The building was designed by Viennese architect Andreas Altomonte, who would go on to become the imperial court engineer and theatre draftsman. The stucco decoration is the work of sculptor Jan Antonín Zinner, a graduate of the Vienna Academy. It is a unique historical building in the Czech lands.

The Castle Riding Hall is currently used as a multi-purpose space to host a variety of social events. The Riding Hall has 3 large halls, a car park and catering facilities.

# Bechyně Chateau and Chateau Riding Hall

The Renaissance Bechyně Chateau offers not only the wedding hall of Petr Vok of Rožmberk, with its original 16th-century frescoes, but also one of the largest halls in South Bohemia in the chateau riding hall. You can also put up a party tent in the park itself.

The riding hall, which can seat up to 900 people in a theatre arrangement, is directly opposite the chateau, separated by a large English park. The riding hall is ideal for theatre performances, concerts, conferences, exhibitions and fairs, as well as large parties. In addition to the Riding Hall and Vok's Chateau Hall, events can also be held in a party tent in the 40-acre park, the Chateau Banquet Hall and the Tree Hall. Conference rooms have also been recently opened in the nearby Hotel Panská. It is also possible to hire out the entire chateau complex. The resort includes a golf course in the Černice game reserve, 5 km away.

# Loučeň Chateau – Hotel Maximilian Lifestyle Resort

Loučeň Chateau is a romantic Baroque heritage site with its original interiors. It is surrounded by a large English-style park, which boasts something not found anywhere else in Europe - a set of 12 labyrinths and mazes.

Loučeň Chateau, together with the Hotel Maximilian Lifestyle Resort, offers spaces for conferences, seminars, field trips, corporate events, team building sessions, corporate celebrations or company family days, and incentive events with accommodation included. The Maximilian Lifestyle Resort hotel, which is part of the chateau complex, offers up to 140 beds.

The state-of-the-art congress hall can seat up to 120 people and can be partitioned off into 2-3 smaller rooms with soundproofed walls. Other spaces include the lounges on the ground floor of the chateau with a beautiful terrace, the chateau wine cellar and orangery, the gazebo in the park, and the natural amphitheatre. Events can be held in all these spaces.

The chateau can host a more intimate gathering, or an event for up to 3,000 people. In cooperation with its partners, it also offers indoor and outdoor programmes for different seasons, but always ones that you won't find anywhere else.

Costumed tours can be accompanied by activities such as wine or rum tastings. And there's no shortage of team building activities.

1 large hall for 120 people, 10 smaller halls; one of the smaller lounges is located in the hotel itself (oval table for max. 14 people), there are another six lounges in the chateau (1x for max. 50 people, 2 for max. 30 people, 3 for max. 20 people).

# Uhelný mlýn Coal Mill

Uhelný mlýn is a fine example of the architectural conversion of an industrial site with interior premises spread across several levels, covering an area of 1500 square metres. Suitable for conferences, corporate events, workshops, etc.

Whether you need the entire building or just part of it (you can hire the event hall, restaurant with facilities and the basement). The lecture hall can hold up to 300 people at a time, is easy to supply and is well prepared for catering. Countless options, summer events opening onto the outer grounds for up to 1,000 people.

Everything is wheelchair-friendly and there is a lift. The multi-purpose premises offer beautiful views of the Vltava River and the rocks alongside it. Participants are sure to appreciate the pleasant setting, which is relaxing even for larger events. They will enjoy the excellent acoustics for concerts, plus the fact that the building is located outside the residential area and so events are not limited by any nighttime restrictions.

Uhelný mlýn is easily reached from Prague by train; the journey takes just half an hour. You can also get there using the ideal trains specially prepared for the purpose. Parking is included in the hire price. The site is also easily accessible from Václav Havel Airport.

This cultural and social complex has a unique story; its architectonic conversion has won numerous awards and everyone who comes to the place is surprised by how friendly and amenable it is.

# Škoda Museum

Besides offering an insight into the early days and development of Škoda Auto, the Škoda Museum building also has a wide range of conference spaces and halls for available hire. This historical building now houses state-of-the-art conference rooms and halls that are ideal for various events, concerts, conferences and exhibitions.

The main idea is to combine the historical elements of the building with cutting-edge technology, creating unique spaces that are some of the most modern in the Czech Republic. Given the sheer size of the Škoda Museum complex, it can provide spaces for smaller corporate events, as well as a multi-purpose hall that can accommodate several hundred people. This unique hall, located in the middle of the Museum building, offers a great degree of flexibility for organising various in-house events as well as events for external entities, including car presentations, press conferences, concerts, etc.

You can also enjoy tours of the Škoda Museum and the production plants, pay a visit to Mladá Boleslav Castle or take a trip the Metoděj Vlach Aviation Museum.
